

chainbase::undo_index
::undo_all

```
graph LR; A[chainbase::undo_index::undo_all] --> B[chainbase::undo_index::undo]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box has a gray background and contains the text 'chainbase::undo_index' on the top line and '::undo_all' on the bottom line. The right box has a white background and contains the text 'chainbase::undo_index' on the top line and '::undo' on the bottom line. A blue arrow points from the right side of the left box to the left side of the right box.
