

testing::internal::TEST

```
graph LR; A[testing::internal::TEST] --> B[testing::internal::FormatCompilerIndependentFileLocation]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is gray and contains the text 'testing::internal::TEST'. A straight blue arrow points from the right side of this box to the left side of a larger white box on the right. The white box contains the text 'testing::internal::FormatCompilerIndependentFileLocation' on two lines. A curved blue arrow starts from the top edge of the white box and points back to its top edge, forming a self-loop.
