

Catch::Generators::  
makeGenerators

```
graph LR; A[Catch::Generators::makeGenerators] --> B[Catch::Generators::makeGenerators]; B --> B;
```

The diagram consists of two rectangular boxes. The left box is grey and contains the text 'Catch::Generators::makeGenerators'. A straight blue arrow points from the right side of this box to the left side of the right box. The right box is white and also contains the text 'Catch::Generators::makeGenerators'. A curved blue arrow starts from the top of the right box and points back to the top of the same box, indicating a self-loop.
