

__floatuntidf

```
graph LR; A[__floatuntidf] --> B[__clzti2]
```

A diagram showing a call from the function `__floatuntidf` to the function `__clzti2`. The `__floatuntidf` box is shaded gray, and the `__clzti2` box is white. A blue arrow points from the right side of the `__floatuntidf` box to the left side of the `__clzti2` box.

__clzti2
