

secp256k1_ecdsa_recover

```
graph LR; A[secp256k1_ecdsa_recover] --> B[memset]
```

The diagram consists of two rectangular boxes connected by a horizontal blue arrow pointing from left to right. The left box is filled with a dark gray color and contains the text 'secp256k1_ecdsa_recover'. The right box is white with a black border and contains the text 'memset'. The blue arrow originates from the right side of the gray box and points directly to the left side of the white box.
