

testing::internal::
posix::Close

```
graph LR; A["testing::internal::  
posix::Close"] --> B["close"]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the text 'testing::internal::' on the first line and 'posix::Close' on the second line. The right box is white and contains the text 'close'. A blue arrow points from the right side of the gray box to the left side of the white box.
