

CLI::App::clear

```
graph LR; A[CLI::App::clear] --> B[CLI::Option::clear]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text "CLI::App::clear". A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text "CLI::Option::clear". Both boxes have a thin black border.

CLI::Option::clear
