

perftest::on\_open

```
graph LR; A[perftest::on_open] --> B[websocketpp::endpoint::send]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'perftest::on\_open'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'websocketpp::endpoint' on the top line and '::send' on the bottom line.

websocketpp::endpoint  
::send
