

fc::api::register_api

```
graph LR; A[fc::api::register_api] --> B[fc::api_connection::register_api]
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is gray and contains the text 'fc::api::register_api'. The right box is white with a black border and contains the text 'fc::api_connection' on the top line and '::register_api' on the bottom line.
