

libraries/wasm-jit  
/Test/Benchmark/Benchmark.cpp

```
graph TD; A["libraries/wasm-jit<br/>/Test/Benchmark/Benchmark.cpp"] --> B["vector"]; A --> C["iostream"];
```

The diagram illustrates the dependencies of the file `libraries/wasm-jit/Test/Benchmark/Benchmark.cpp`. Two blue arrows originate from the bottom of the top box and point to the boxes labeled `vector` and `iostream`, indicating that the benchmark code depends on these standard library components.
