```

The diagram illustrates a relationship between two methods and a common target. On the left, there are two white rectangular boxes with black borders. The top box contains the text `pump.Output.Append` and the bottom box contains `pump.Output.GetLastLine`. Two blue arrows originate from the right side of these boxes. The arrow from the top box points to the top-left corner of a gray rectangular box on the right. The arrow from the bottom box points to the top-left corner of the same gray box. The gray box contains the text `Catch::StringRef::string`.
