

gtest_color_test.UsesColor

```
graph LR; A[gtest_color_test.UsesColor] --> B[gtest_color_test.SetEnvVar]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'gtest_color_test.UsesColor'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'gtest_color_test.SetEnvVar'.

gtest_color_test.SetEnvVar
