

stub\_con::write

stub\_con::write

websocketpp::transport  
::iostream::connection  
::async\_write

```
graph LR; A[stub_con::write] --> C[websocketpp::transport::iostream::connection::async_write]; B[stub_con::write] --> C;
```

The diagram illustrates a call flow. On the left, two separate boxes, each containing the text 'stub\_con::write', have blue arrows pointing from their right sides to a single, larger box on the right. This right box contains the text 'websocketpp::transport::iostream::connection::async\_write' arranged in three lines. The left boxes have black borders, while the right box has a gray fill and a black border.
