

FuncGen::genSub

```
graph LR; A[FuncGen::genSub] --> B[Xbyak::CodeGenerator::subsd]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'FuncGen::genSub'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'Xbyak::CodeGenerator' on the top line and '::subsd' on the bottom line.

Xbyak::CodeGenerator
::subsd
