

`fc::mb_datastream::read`

```
graph LR; A[fc::mb_datastream::read] --> B[fc::detail::throw_datastream_range_error];
```

A diagram illustrating an exception being thrown. A grey rectangular box on the left contains the code `fc::mb_datastream::read`. A blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the code `fc::detail::throw_datastream_range_error`, which is split across two lines.

`fc::detail::throw_datastream
_range_error`
