

BOOST_AUTO_TEST_CASE

BOOST_AUTO_TEST_CASE

fc::message_buffer
::add_buffer_to_chain

```
graph LR; A[BOOST_AUTO_TEST_CASE] --> C[fc::message_buffer::add_buffer_to_chain]; B[BOOST_AUTO_TEST_CASE] --> C;
```

The diagram illustrates two test cases, both labeled 'BOOST_AUTO_TEST_CASE', pointing via blue arrows to a single function box. The function box is shaded gray and contains the text 'fc::message_buffer' followed by '::add_buffer_to_chain' on a new line.
