graph LR; A[testing::internal::HasNewFatalFailureHelper::HasNewFatalFailureHelper] --> D[testing::internal::UnitTestImpl::SetTestPartResultReporterForCurrentThread]; B[testing::internal::HasNewFatalFailureHelper::~~HasNewFatalFailureHelper] --> D; C[testing::ScopedFakeTestPartResultReporter::~~ScopedFakeTestPartResultReporter] --> D;
```

The diagram illustrates three source boxes on the left, each with a blue arrow pointing to a single target box on the right. The target box is shaded gray, while the source boxes are white with black borders. The text in the boxes represents C++ symbols related to Google Test's internal implementation.
