

cybozu::CpuClock::put

```
graph LR; A[cybozu::CpuClock::put] --> B[cybozu::CpuClock::getCount]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is white with a black border and contains the text 'cybozu::CpuClock::put'. The right box is gray with a black border and contains the text 'cybozu::CpuClock::getCount'. A blue arrow points from the right side of the left box to the left side of the right box.

cybozu::CpuClock::getCount
