

IR::FunctionValidationContext  
::block

```
graph LR; A[IR::FunctionValidationContext  
::block] --> B[IR::validate]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is gray and contains the text 'IR::FunctionValidationContext' on the top line and '::block' on the bottom line. The right box is white with a black border and contains the text 'IR::validate'. A blue arrow points from the right side of the gray box to the left side of the white box.

IR::validate
