

testing::TEST\_F

```
graph LR; A[testing::TEST_F] --> B[testing::Flags::PrintTime]
```

A diagram showing a call from `testing::TEST_F` to `testing::Flags::PrintTime`. The first box, containing `testing::TEST_F`, is shaded gray. A blue arrow points from this box to a second, white box containing `testing::Flags::PrintTime`. Both boxes have a thin black border.

testing::Flags::PrintTime
