

```
websocketpp::transport  
::iostream::connection  
::read_some
```

```
graph LR; A["websocketpp::transport  
::iostream::connection  
::read_some"] --> B[lock]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text `websocketpp::transport`, `::iostream::connection`, and `::read_some` stacked vertically. A blue arrow points from the right side of this box to a white rectangular box on the right. The white box contains the text `lock`.

`lock`
