

```
websocketpp::transport  
::iostream::error::make  
_error_code
```

```
graph LR; A["websocketpp::transport::iostream::error::make_error_code"] --> B["websocketpp::transport::iostream::error::get_category"]
```

A diagram illustrating a sequence of operations. On the left, a gray rectangular box contains the text `websocketpp::transport::iostream::error::make_error_code`. A blue arrow points from the right side of this box to the right side of a white rectangular box on the right. The white box contains the text `websocketpp::transport::iostream::error::get_category`.

```
websocketpp::transport  
::iostream::error::get  
_category
```
