

sysio::vm::span::first

```
graph LR; A[sysio::vm::span::first] --> B[sysio::vm::span::size]
```

A diagram showing a relationship between two variables. On the left, a gray rectangular box contains the text 'sysio::vm::span::first'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'sysio::vm::span::size'.

sysio::vm::span::size
