

`fc::process::exec`

```
graph LR; A[fc::process::exec] --> B[fc::path::string]
```

The diagram consists of two rectangular boxes connected by a blue arrow. The left box is filled with a dark gray color and contains the text `fc::process::exec`. The right box is white with a black border and contains the text `fc::path::string`. A solid blue arrow points from the right side of the left box to the left side of the right box, indicating a flow or relationship between the two entities.

`fc::path::string`
