

EncodedStreamTest::  
TestEncodedOutputStream

```
graph LR; A[EncodedStreamTest::TestEncodedOutputStream] --> B[EncodedOutputStream::Flush];
```

The diagram consists of two rectangular boxes connected by a blue arrow pointing from left to right. The left box is white with a black border and contains the text 'EncodedStreamTest::TestEncodedOutputStream'. The right box is gray with a black border and contains the text 'EncodedOutputStream::Flush'.

EncodedOutputStream  
::Flush
