

A diagram illustrating a dependency relationship. A light blue box at the bottom contains a list of files. A blue arrow points upwards from this box to a gray box at the top, which contains a similar list of files. The gray box's list is a subset of the light blue box's list, indicating that the files in the gray box depend on the files in the light blue box.

```
libraries/fc/include  
/fc/crypto/webauthn_json  
/thirdparty/gtest/googmock  
/test/gmock-internal-utils_test.cc
```

```
libraries/fc/include  
/fc/crypto/webauthn_json  
/thirdparty/gtest/googmock
