

```
print_server::print  
_server
```

```
graph LR; A[print_server::print_server] --> B[print_server::on_close]
```

A diagram illustrating a function call. A light gray box on the left contains the text `print_server::print_server`. A blue arrow points from this box to a darker gray box on the right, which contains the text `print_server::on_close`.

```
print_server::on_close
```
