

run\_random\_pubkeys

```
graph LR; A[run_random_pubkeys] --> B[test_random_pubkeys]; B --> C[ge_equals_ge];
```

A flowchart with three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'run\_random\_pubkeys'. A blue arrow points from the right side of this box to the left side of the second box. The second box is white with a black border and contains the text 'test\_random\_pubkeys'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box is white with a black border and contains the text 'ge\_equals\_ge'.
