A diagram illustrating a transformation or mapping. On the left, a white rectangular box with a black border contains the text `sysio::chain::wasm`, `_ops::field_specific`, and `_params::pack` stacked vertically. A blue arrow points from the right side of this box to the right side of a gray rectangular box with a black border. The gray box contains the text `sysio::chain::wasm` and `_ops::pack` stacked vertically. This represents a change from a field-specific parameter pack to a generic pack.
