The diagram consists of three rectangular boxes arranged horizontally. The first box on the left is shaded gray and contains the text 'sysio::vm::machine', '_code_writer::emit_f64', and '_convert_u_i64'. A blue arrow points from the right side of this box to the left side of the second box. The second box in the middle is white with a black border and contains the text 'sysio::vm::machine' and '_code_writer::fix_branch'. Another blue arrow points from the right side of the second box to the left side of the third box. The third box on the right is also white with a black border and contains the text 'memcpy'.
