

libraries/builtins
/compiler_builtins.hpp

```
graph TD; A["libraries/builtins  
/compiler_builtins.hpp"] --> B["cstdint"]; A --> C["softfloat.hpp"]
```

The diagram illustrates the relationship between the `libraries/builtins/compiler_builtins.hpp` header file and the files it includes. Two blue arrows point from the top box to the bottom boxes, indicating that `compiler_builtins.hpp` includes `cstdint` and `softfloat.hpp`.

cstdint

softfloat.hpp
