

test\_fixed\_wnaf\_small

```
graph LR; A[test_fixed_wnaf_small] --> B[test_fixed_wnaf_small_helper]
```

A diagram showing a call from a function to a helper function. On the left, a gray rectangular box contains the text 'test\_fixed\_wnaf\_small'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'test\_fixed\_wnaf\_small\_helper'.
