

sysio::vm::profile  
\_data::list\_header

next  
prev

The diagram shows a gray rectangular box containing the text 'sysio::vm::profile' and '\_data::list\_header'. To the right of the box, there are two dashed purple lines. The top line starts from the right side of the box and points to a solid purple arrowhead pointing left, with the label 'next' to its right. The bottom line starts from the right side of the box and points to a solid purple arrowhead pointing left, with the label 'prev' to its right.
