

run_benchmark

```
graph LR; A[run_benchmark] --> B[print_number]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'run_benchmark'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'print_number'.

print_number
