

vcmpnge_uqsd

```
graph LR; A[vcmpnge_uqsd] --> B[vcmpsd]
```

A diagram showing a sequence of two instructions. The first instruction, `vcmpnge_uqsd`, is enclosed in a gray rectangular box. A blue arrow points from the right side of this box to the left side of a second rectangular box. The second box is white with a black border and contains the instruction `vcmpsd`.
