

usb\_open\_device

```
graph LR; A[usb_open_device] --> B[usb_close]
```

A flow diagram consisting of two rectangular boxes connected by a blue arrow. The first box on the left is gray and contains the text 'usb\_open\_device'. A blue arrow points from the right side of this box to the left side of a second box on the right. The second box is white with a black border and contains the text 'usb\_close'.

usb\_close
