

on_open

```
graph LR; A[on_open] --> B[websocketpp::endpoint::send]
```

A diagram illustrating a function call. On the left, a gray rectangular box contains the text 'on_open'. A blue arrow points from the right side of this box to the left side of a larger white rectangular box on the right. This white box contains the text 'websocketpp::endpoint' on the top line and '::send' on the bottom line. Both boxes have a thin black border.

websocketpp::endpoint
::send
