

testing::TEST_F

```
graph LR; A[testing::TEST_F] --> B[testing::Flags::ThrowOnFailure]
```

A diagram showing a dependency. On the left, a gray rectangular box contains the text 'testing::TEST_F'. A blue arrow points from the right side of this box to the left side of a white rectangular box on the right. The white box contains the text 'testing::Flags::ThrowOnFailure'.

testing::Flags::ThrowOnFailure
