

testing::Test

```
graph BT; A[TEST_before_TEST_F_in_same_test_case] --> B[testing::Test]
```

The diagram illustrates an inheritance relationship. A light gray box at the bottom contains the text 'TEST\_before\_TEST\_F\_in\_same\_test\_case'. A blue arrow points vertically upwards from this box to a white box at the top, which contains the text 'testing::Test'. The white box has a thin black border.
